INTERIM REPORT

OF

THE ELECTORAL BOUNDARIES COMMISSION

OF

THE PROVINCE OF ALBERTA

1983/84

Composition of Commission

The members of the Commission appointed by Order-in-Council 1000/83 dated December 14, 1983, pursuant to the Electoral Boundaries Commission Act (the "Act") were:

Chairman:	The Honourable Mr. Justice Russell A. Dixon
Members:	The Honourable Ralph G. Steinhauer Honourable W.E. Payne Honourable T.W. Chambers Henry Kroeger Grant Notley Kenneth A. Wark

The Honourable Ralph G. Steinhauer asked to be relieved from the Commission due to illness and by Order-in-Council 265/84 dated April 4, 1984, Mr. Lawrence Oliver Olsen was appointed as a member of the Commission to replace The Honourable Steinhauer.

Meetings

The Commission held its first meeting in Calgary on January 26, 1984 and its deliberations continued over the next six months resulting in unanimous agreement on the proposals for the electoral divisions for the Province of Alberta as contained in this Interim Report. A total of ten meetings were held.

Representations in Writing

A Notice inviting submissions from interested persons and organizations was published in early February 1984 in the majority of Provincial daily and weekly newspapers. A news release was also provided to the principal TV and radio outlets throughout the Province. A copy of the "Notice to Alberta Electors" is attached as Appendix "A".

The Commission received 74 submissions, all of which were acknowledged and given careful consideration. A substantial number of the recommendations and suggestions contained in these submissions are incorporated in the proposals in this Report.

Redistribution Mandate

By Section 11 of the Act the Commission was required to divide the Province of Alberta into a total of 83 electoral divisions consisting of 42 urban electoral divisions and 41 rural electoral divisions. This constituted a total increase of 4 electoral divisions over the previously established 79 electoral divisions, being 37 urban and 42 rural.

By Section 12 of the Act the Commission was directed to establish urban electoral divisions as follows:

(a) the City of Medicine Hat - 1
(b) the City of St. Albert - 1
(c) the Hamlet of Sherwood Park - 1
(d) the City of Lethbridge - 2
(e) the City of Red Deer - 2
(f) the City of Edmonton - 17
(g) the City of Calgary - 18
Total...42

This directive required the establishment of 5 new urban electoral divisions: the City of St. Albert, the Hamlet of Sherwood Park, one additional electoral division in Red Deer and two additional electoral divisions in Calgary.

The remaining areas of the Province, not included in the 42 urban electoral divisions, were required to be included in 41 proposed rural electoral divisions. In that the change in Sherwood Park and St. Albert from rural electoral divisions to proposed urban electoral divisions reduced the number of existing rural electoral divisions to 40, the Commission was required to establish one new rural electoral division.

In the result, the prime task of the Commission was to establish the boundaries for the 5 new urban electoral divisions and the one new rural electoral division together with the consequent realignment of the boundaries of the adjacent electoral divisions. The Commission, in fulfilling its responsibilities as laid down in Part 2 of the Act, also thoroughly reviewed the boundaries of all remaining electoral divisions.

Formula

In order to comply with the provisions of Section 15 through 18 of the Act the Commission made the following calculations which are based upon the "voter population", as defined in Section 1(f) of the Act, from the List of Electors used in the November 1982 General Election:

- Total voter population	1,435,752
- Total voter population of the existing 37 urban electoral divisions	833,185
- Average voter population of the existing 37 urban electoral divisions	22,518
- 25% above the average for existing urban electoral divisions	28,148
- 25% below the average for existing urban electoral divisions	16,888
- Total voter population of the existing 42 rural electoral divisions	602,567
- Average voter population of the existing 42 rural electoral divisions	14,347

Planning Input

To comply with the requirements of Section 14 of the Act and to provide the Commission with complete and up-to-date data on projected population growth, enquiries were made of various planning departments. Formal briefings were received from planning staffs of the Cities of Edmonton, Calgary, Red Deer and St. Albert. In addition, written briefs were requested and received from the Cities of Lethbridge and Medicine Hat and the Hamlet of Sherwood Park.

Electoral Divisions Boundary Development-Considerations & Guidelines

Utilizing the voter population formula based on the List of Electors in the 1982 General Election, the projected population growth derived from the input received from the various planning departments and after considering submissions as received from various organizations and individuals, the Commission proceeded to develop boundary proposals for the 83 electoral divisions in accordance with the guidelines laid down in Part 2 of the Act.

These guidelines can be expressed in the following general terms:

— For all Electoral Divisions:
Community or diversity of interests, means of communication, physical features, sparsity or density of population, and other similar or relevant factors are to be taken into consideration (Section 19).

— For Urban Electoral Divisions:
Nearly as possible equal in voter population (Section 13(b)). Boundaries must be re-established where the voter population exceeds the average + 25% (Section 16(1)(a)). Urban electoral boundaries may be extended, except as to Calgary and Edmonton, into adjacent rural areas ie: beyond the corporate or municipal limits, provided that the voter

population in the urban portion exceeds the voter population in the rural portion (Sections 16(1)(b), 16(2), 17 and 18(2)). Although not specified, there is an implication that urban electoral division boundaries must be extended at least to the currently approved corporate or municipal limits.

— For Rural Electoral Divisions:
As far as practicable, as nearly as possible equal in voter population with a directive, with respect to sparsely populated areas, to avoid establishing electoral divisions that are larger in area than the existing electoral divisions in those areas (Section 18(1)).

Urban Electoral Divisions

The following proposals cover the establishment of the required 42 urban electoral divisions:

(a) City of Calgary

Two new electoral divisions are proposed for the City of Calgary, one in the northeast by splitting the previously large riding of McCall and one in the southwest by splitting-off a portion of each of Glenmore and Fish Creek.

The Commission suggests the following names for each of these new electoral divisions:

New Calgary (northeast) - Calgary Montrose
New Calgary (southwest) - Calgary Shaw

Boundary revisions are proposed for the following 10 Calgary electoral divisions so that their boundaries correspond with the city limits as of January 1, 1984 and to otherwise comply with the guidelines as set out in Part 2 of the Act:

- Bow
- Fish Creek
- Forest lawn
- Glenmore
- McCall
- McKnight
- Millican
- Mountain View
- North Hill
- North West

No boundary revisions are proposed for the following 6 Calgary electoral divisions:

- Buffalo
- Currie
- Egmont
- Elbow
- Foothills
- West

The proposed boundary descriptions for the 18 City of Calgary electoral divisions and the names thereof are set out in Appendix "B". In addition, the proposed 18 electoral divisions are geographically depicted on the maps included in Appendix "B".

(b) City of Edmonton

Boundary revisions are proposed for 14 of the existing 17 Edmonton Electoral divisions so that their boundaries correspond with the City of Edmonton annexation authorized effective January 1, 1982 and to otherwise comply with the guidelines as set out in Part 2 of the Act. They are:

- Avonmore
- Belmont
- Beverly
- Calder
- Centre
- Glengarry
- Glenora
- Gold Bar
- Jasper Place
- Kingsway
- Meadowlark
- Mill Woods
- Parkallen
- Whitemud

No boundary revisions are proposed for Highlands, Norwood and Strathcona electoral divisions.

The proposed boundary descriptions for the 17 City of Edmonton electoral divisions and the names thereof are set out in Appendix "C". In addition, the proposed 17 electoral divisions are geographically depicted on the maps included in Appendix "C".

(c) Red Deer

The Commission was directed to create one new electoral division in the Red Deer area. The proposed boundaries for the 2 Red Deer electoral divisions were arrived at after consideration of the current Red Deer city boundaries and plans for possible future city expansion. In addition, careful consideration was given to the impact of including areas outside the current City of Red Deer boundaries, as allowed by Section 16(1)(b) of the Act.

Red Deer North and Red Deer South are suggested as the names of the two Red Deer electoral divisions.

The proposed boundary descriptions for the 2 Red Deer electoral divisions and maps geographically depicting their boundaries are attached as Appendix "D".

(d) St. Albert and Sherwood Park

The proposed boundary for the electoral division of St. Albert is based upon the city limits approved for the City of St. Albert effective January 1, 1982. With respect to Sherwood Park, the existing electoral division boundaries have been revised to reflect the City of Edmonton annexation authorized effective January 1, 1982 and the addition of a small area from the County of Strathcona adjacent to the current constituency boundary.

The Commission proposes that each of these electoral divisions retain the name of the major municipality they represent, namely St. Albert and Sherwood Park.

The boundary descriptions for the electoral divisions of St. Albert and Sherwood Park and maps geographically depicting their boundaries are attached as Appendix "E".

(e) Medicine Hat and Lethbridge

The proposed boundaries for the two electoral divisions of Lethbridge and the one electoral division of Medicine Hat have been selected to incorporate the area annexed by each of these urban municipalities effective January

1, 1984. No other revisions are proposed to the existing boundaries of these electoral divisions.

The proposed boundary descriptions for the Lethbridge East, Lethbridge West and Medicine Hat electoral divisions and maps geographically depicting their boundaries are attached as Appendix "F".

New Rural Electoral Division

The new rural electoral division proposed by the Commission is Sturgeon, which basically includes the rural area from the former St. Albert electoral division plus the Pickardville, Westlock and Pibroch area from the Athabasca electoral division and the Clyde, Nestow and Tawatinaw area from the Redwater-Andrew electoral division.

In developing this proposal the Commission took into account the relatively high voter population in the rural area adjacent to the City of Edmonton and the well-documented submissions received from local municipalities, school districts and other entities.

Rural Electoral Divisions - General

Boundary revisions are proposed for the following rural electoral divisions to reflect the areas annexed by the referenced adjacent urban municipality:

- Sturgeon)
- Stony Plain)
- Wetaskiwin-Leduc) City of Edmonton
- Clover Bar)
- Redwater-Andrew)

- Banff-Cochrane)	City of Calgary
- Three Hills)	
- Drumheller)	
- Taber-Warner)	City of Lethbridge
- Macleod)	
- Innisfail	City of Red Deer
- Cypress	City of Medicine Hat

The Commission proposes boundary revisions based on the requirements of Sections 18 and 19 of the Act and the recommendations and suggestions received from interested organizations and individuals, for the following 31 rural electoral divisions:

- Athabasca
- Banff-Cochrane
- Barrhead
- Bow Valley
- Camrose
- Chinook
- Clover Bar
- Cypress
- Drayton Valley
- Drumheller
- Grande Prairie
- Highwood
- Innisfail
- Lac La Biche-McMurray
- Little Bow
- Lloydminster
- Peace River
- Ponoka
- Redwater-Andrew
- Smoky River

- Stettler
- Stony Plain
- St. Paul
- Taber-Warner
- Three Hills
- Vegreville
- Vermilion-Viking
- Wainwright
- Wetaskiwin-Leduc
- Whitecourt

Part of the boundary revisions proposed for the electoral divisions of Wetaskiwin-Leduc and Ponoka were made to ensure that the entire area of the Hobbema Reserve is located in the Ponoka electoral division as opposed to the current split between Wetaskiwin-Leduc and Ponoka. Similarly, the proposed boundaries for the electoral division of Little Bow have been developed to ensure that all of the Blackfoot Reserve is located in Little Bow as opposed to the current split among Litle Bow, Drumheller and Bow Valley.

No boundary revisions are proposed by the Commission for the following 8 rural electoral divisions:

- Bonnyville
- Cardston
- Edson
- Lacombe
- Lesser Slave Lake
- Olds-Didsbury
- Pincher Creek-Crowsnest
- Rocky Mountain House

New names are proposed for the following existing rural electoral divisions:

From	To
Athabasca	Athabasca-Lac La Biche
Edmonton-Sherwood Park	Sherwood Park
Lac La Biche-McMurray	Fort McMurray
Ponoka	Ponoka-Rimbey
Spirit River-Fairview	Dunvegan

The proposed name changes resulted either from Commission decisions on boundary revisions or from recommendations received from local organizations and individuals in the electoral divisions concerned.

The proposed boundary descriptions for the 41 rural electoral divisions and the names thereof are attached as Appendix "G". In addition, maps geographically depicting the boundaries for each electoral division are included in Appendix "G".

Public Hearings

No public hearings have been held to date because the Commission considered it more appropriate to conduct these hearings after this Report has been submitted to the Speaker and made public pursuant to Section 6(2) of the Act.

It is the Commission's intention to hold Public Hearings on the proposals contained in this Interim Report during the last week of August 1984. Appropriate notices of the Public Hearings will be given as provided by Section 7 of the Act.
